## JEWELRY

*Hello Friends and Fans!*

Hope your new year is off to a good start! It's been a short four months since we saw you last, and to start our travel for 2021 we will begin with you, Riverside. Eric is away shopping as we go to press, and you'll get to be the first to see the new treasures he acquired! First and foremost, we want to send best wishes to you all for your continued safety and health, and hope that everyone is doing well. Although circumstances brought most travel to a halt last year, we learned we could still visit (albeit virtually) with you and continue to bring you the best of the southwest. We sure appreciate all the love and support from everyone on our Facebook Live events. Thanks to your support, we were able to continue to purchase from artists and help them out. We are thankful and grateful to all of you for your support and kindness. Thank you ☐.

If you visited us last fall, the same safety protocol will be in place per health department guidelines. With less than a week to go for our arrival in Riverside our plans to visit are fixed and we anticipate no change. Be aware, however, that due to continually changing circumstances there is always the possibility of an unanticipated change. If you plan to travel any distance to visit us, please confirm our arrival via our website, [www.americana.net](http://www.americana.net). Click on show dates, check the message at the top of the home page, or give us a call at (928) 606-2972.

In new jewelry, Eric is still buying in Gallup, Zuni and Shiprock as we go to press and will be bringing beautiful new items that you will be the first to see with this show, to encompass all price points and styles in earrings, pendants, rings, bracelets and more. Additionally, he met with his contact for Bruce Hodgins jewelry and acquired a few more pieces that have never been on the market. There are some rings for sure!

We will also have more collector pieces from a private collection that Eric was able to clean and prep during our downtime, including some very nice squash blossom necklaces, a large Robert Becenti story concho belt, a beautiful Zuni needlepoint link bracelet in coral and lots of rings and earrings.

One of the collections is from a close friend of ours whose parents really loved Native American jewelry. His dad would go through Gallup in the 1960's and 70's and shop in the pawn rooms of some of Gallup's legendary store owners. There are many fantastic old bracelets, pins, rings and necklaces as well as a few very collectable bolos. Another collection came from a dear friend who had excellent taste in bolo ties. He had also acquired many great pieces to give as gifts on his work travels which took him all over the world. This collection contains jewelry from some of the most famous award-winning artists: **Al Nez, Howard Nelson, Alvin Vandever, Phil Poseyesva, Na Na Ping, Sammy and Ester Guardian, Harlan Coonsis, Bev Etsate and more.**

The result is another fabulous inventory for this show, including many budget-friendly gift items (think **Mother's Day** in May, or upcoming birthdays and special events).

New handmade chains:

We managed to pick up about a few Navajo handmade chains and a couple chains by **Hopi artist Yvette Talaswaima (Gerald Lomventema's wife).**

**Alton Bedonie** stayed busy creating more of his masterpieces. He made a few rings and a good number of pendants with a great variety of stones (many of which Tamara cut). There are also two new pendants with super quality Dry Creek turquoise, which is getting harder to find these days, and one with a very large and fabulous piece of lavender/blue Golden Hills Turquoise.

Tamara will have some Argentium Sterling Silver pieces for sale: lightweight and comfy to wear earrings, some fabulous rings, a hand woven Argentium choker, a chain and a must-see necklace/earring set.

Other fabulous artists whose work we will have at the shows are: **Al Nez, Howard Nelson, Duane Maktima, Tom Jim, Mary Tom, Gibson Nez, Jack Tom, Jacob Livingston, Phil Poseyesva, Tom Jackson, Kee Nez, Vernon Haskie, Boyd Tsosie, Edison Cummings, Alvin Yellowhorse, Carl and Irene Clark, Harlan Coonsis, Smokey Gchachu, Lavina Tsikewa, Albert Nells, Rebecca and Darryl Dean Begay, Herman Cohan, NaNa Ping, Sunshine Reeves, Jake Livingston, Kerry Begay, Stewart Billie, Alvin and Lula Begay, Don Dewa, Virginia Quam, Albert and Dolly Banteah, Amy Quandelacy, Fadrian Bowannie, Connie Seowtewa, and many more.**

## CARVINGS, POTTERY, RUGS, SANDPAINTINGS AND MORE

Still available are some more of the smaller Navajo weavings which are great for wall hangings and tabletops, including a couple of rare, round rugs. We also have a nice new selection of Navajo sand painting boxes (which make lovely and unique gifts) along with a good variety of the smaller sand paintings. All of our sand paintings are completely handmade, matted, and framed by Navajo artists.

Our fabulous inventory of high-quality Mata Ortiz pottery is sure to dazzle! Many of these pieces have complex, fine-line detail artwork and are hand-coiled. The price for this quality of work is incredible. We have a great pair **Martha Appleleaf and Carmelita Dunlap**, black on black feather pattern pots as well as several much sought-after pots from Bob Lansing, including one in a large size. Some of our fabulous acquisitions from private collections include three Maria Martinez pots as well as pieces by **Phyllis and Marlene Hemlock**. This collection also contains several great miniature pots and a miniature storyteller. Whichever piece of pottery is your favorite, the warm colors of Southwest art provide a distinct feel to any home.

Our large kachina collection continues to dazzle with an inventory that includes work from award winning artists such as **Laurence Dallas, Keith Torres, Raymond Chee, Marlin Pinto and Sterling McRae.**

We also have a large selection of Zuni animal fetishes on hand, including a HUGE lot of older, unique pieces from a private collection we obtained. Many of these carvings are by well known, award winning artists and are crafted from an assortment of stones and organic material. Marvin Toya, from the Jemez Pueblo carved several mid-size pieces that measure in the six to eight-inch range and some smaller inexpensive gift sized ones, including eagles, owls, corn maidens and others. Other not to miss pieces are some stunning carvings by Zuni fetish carvers. There will be something in everyone's price range, so be sure to stop by and see us!

See you there!
