JEWELRY

Hello friends!

We'll be seeing you very soon, and look forward to enjoying your beautiful sunny SoCal weather!

How fast summer went by! Fall is here already, so now is the perfect time to get a head start on holiday shopping. And what a shopping selection we have for you!

In addition to many new and exciting items, we acquired four great vintage collections and are still adding new jewelry from collections that came in last year. There are also new pieces and new designs from our recent buying trips throughout Arizona and New Mexico, including a good supply of White Buffalo items. Tamara is working up to the last minute to complete an exciting collection of Argentium silver pieces. Argentium is a magical material; a higher carat sterling that doesn't fire scale and resists tarnishing better than traditional silver. Nearly twice as hard as sterling once hardened it shows excellent resistant to scratches and wear and has a whiter, brighter appearance. Earrings, rings and necklaces will be on their way to you next week!

Regarding vintage collections, one includes many necklaces from well-known artists to include **Charlene Reano, Johnathan Nez, Ruddell and Nancy Laconsello, Fadrian Bowannie, Smokey Gchachu and Joe** and **Susie Reano**. Another collection includes about 20 beautiful and very unique men's watchbands, 25 rings and 12 great bracelets. All these pieces were well cared for and most of them are inlaid, raised inlay or overlay work with inlaid stones. These pieces are by artists such as **Calvin Begay, Kenneth Bitsie, Charlie Bowie, and Ray Jack**. There is also a rare men's watchband by Don Dewa and a beautiful reversible lapis necklace by **Christen Wolf**.

Two more collections that came in recently include very high-end pieces by the some of the nation's top award-winning artists such as **Lee Yazzie, Charles Supplee, Larry Vasquez, Donnie Supplee, and Dina Huntinghorse**. These collections include several magnificent rings and pendants by our friend and Goldsmith **Brian Clark** which he created using Australian Black opal, sugilite, amethyst or red coral.

This "old" new inventory is full of vintage and rare collectible pieces that are not often seen on the market. To maintain a good mix of old and new (as well as a stunning variety of pieces), we also have plenty of newly crafted items from our recent buying trips. We found a great selection of new earrings, pendants and pins. There were quite a few new designs from Zuni and Navajo artists. We also focused on shorter neckwear with some nice bright colors, although you will still see longer necklaces by **Alton Bedonie** in his classic style, and new, long necklaces in Argentium by Tamara. **Kee Yazzie** stopped by with some of his new jewelry so we picked up a bracelet and two rings. **Alton Bedonie** provided some incredible rings in a new style: Heavier, with fabulous stamp work on the bands as well as a long, stunning Golden Hills turquoise necklace, matching earrings, some White Buffalo earrings and an impressively-sized Nacozari turquoise pendant.

Earrings are always popular so our selection is continually changing as we re-stock this section frequently. This time out, in addition to newly made earrings by the Navajo, Zuni and Santo Domingo artists, we have quite a few older earrings from collections. As you look around the room,

be sure to check all the cases because we try to match up earrings with necklaces or other pieces that look good together.

Other fabulous artists whose work we will have at the shows are: **Al Nez, Howard Nelson, Duane Maktima, Tom Jim, Mary Tom, Gibson Nez, Jack Tom, Jacob Livingston, Phil Poseyesva, Tom Jackson, Kee Nez, Vernon Haskie, Boyd Tsosie, Edison Cummings, Alvin Yellowhorse, Carl and Irene Clark, Harlan Coonsis, Smokey Gchachu, Lavina Tsikewa, Albert Nells, Rebecca and Darryl Dean Begay, Herman Cohan, NaNa Ping, Sunshine Reeves, Jake Livingston, Kerry Begay, Stewart Billie, Alvin and Lula Begay, Don Dewa, Virginia Quam, Albert and Dolly Banteah, Amy**

Quandelacy, Fadrian Bowannie, Connie Seowtewa, and many more.

CARVINGS, POTTERY, RUGS, SANDPAINTINGS AND MORE

Available now are some of the smaller Navajo weavings which are great for wall hangings and table tops, as well as for gift-giving. We also have a nice selection of Navajo sand painting boxes (which make lovely and unique gifts) along with a good variety of the smaller sand paintings. All of our sand paintings are completely handmade, matted, and framed by Navajo artists. Now is a great time to get a start on holiday shopping!

Our inventory of high-quality **Mata Ortiz** pottery is robust and sure to dazzle! Many of these pieces have complex, fine-line detail artwork and are hand-coiled. Some have detailed geometric relief patterns and others have very detailed carvings. The price for this quality of work is incredible. We have a great pair **Martha Appleleaf and Carmelita Dunlap**, black on black feather pattern pots as well as several much sought-after pots from **Bob Lansing**, including one in a large size. Some of our fabulous acquisitions from private collections include three **Maria Martinez** pots as well as pieces by **Phyllis and Marlene Hemlock**. This collection also contains several great miniature pots and a miniature storyteller. Whichever piece of pottery is your favorite, the warm colors of Southwest art provide a distinct feel to any home.

Our impressive kachina collection continues to dazzle with an inventory that includes work from award winning artists such as **Laurence Dallas, Keith Torres, Raymond Chee, Marlin Pinto and Sterling McRae**.

We also have a newly re-stocked selection of Zuni animal fetishes on hand, including a HUGE lot of older, unique pieces from a private collection we obtained. Many of these carvings are by well-known, award-winning artists and are crafted from an assortment of stones and organic material. Be sure to check out the jewelry sections, as we also have some fabulous animal and bird fetish necklaces. Other not to miss pieces are some stunning carvings by Zuni fetish carvers. There will be something in everyone's price range, so be sure to stop by and see us!

See you there!
